

FLATTING LIFESTYLE OPPORTUNITY in Mt ROSKILL
MOVE-IN DATE AS SOON AS WE FIND THE RIGHT PERSON!

Te Ope Whakaora

SUBSIDISED BOARD OF \$80p/w

Become a Tuakana/Positive Flatmate and make a difference for RANGATAHI!

Our Independent Living Programme provides semi-supported accommodation designed to walk alongside our youth aged 16-18 transitioning out of foster care (likely up to around 20 years of age by the time they move out).

The flat can house up to 4 young guys and 3 tuakana.

Tuakana will ideally have previous flatting or independent living experience and must have a willingness to support and "care about" rangatahi

As a Tuakana you are a volunteer for The Salvation Army.

We provide:

- a partially furnished private room, shared bathroom, furnished flat
- food (weekly shared flat account to cover breakfast/lunch/dinner)
- internet, Netflix, power, water, development opportunities
- subsidised (or at times paid for) social outings/meals/activities

In return for this fair board package we will ask you to:

- mould and shape your lifestyle to prioritize flat life
- be actively present at home at least 3 nights per week
- show initiative in maintaining a safe, stable, clean flat and drive flat culture
- build relationships with rangatahi beyond surface level
- role model positive life-skills and walk with rangatahi to learn these skills
- incorporate young flatties (rangatahi) into your lifestyle wherever possible

Many of our young people identify as Maori or from our numerous Pasifika cultures. Tuakana who can connect culturally and bring a kete or ato of cultural knowledge and skills will be highly valued. However, inclusivity is obviously not limited to just culture! You will be supported by youth workers and a team lead.

No pets. Smoking is permitted outside.

This is no ordinary flatting/boarding experience. Take a chance on the extraordinary and make a difference!
